

DEBORAH FELL WORKSHOP

Paint, Stitch, Create Quilts
Thursday-Saturday, 9am-4pm
September 17, 18 & 19, 2015
Longmont Museum, 400 Quail Road,
Longmont, CO 80501

About This Workshop:

If you're looking for a workshop to stretch you gently out of your comfort zone, this class provides the perfect opportunity. Work with a different approach, a different format, and different materials to create pieces of art on a new level. Using pads of canvas paper, you will create small art quilts that can work in a series. Emphasis will be on using design elements—line, shape, color—to make each piece relate to the others. A variety of techniques/materials will be employed, including paint, layering, mixed media, stamps and stencils, paper, found objects, stitching, and organic mark-making.

About Deborah: Deborah Fell is a full-time studio artist committed to the art quilt medium; her art focuses on abstract, organic shapes, using cloth, paint, repurposed found objects, and stitching. Layering, organic

mark-making, and line are prominent elements in her art.

Deborah has been a professional educator for over 30 years. She has conducted workshops nationally and served as artist in residence in California and Illinois. She has exhibited in multiple venues, including Quilt National. The winter 2012 issue of *Art Quilting Studio* features Deborah's work on the front cover. Visit Deborah's website at deborahfell.com
